Hello Doodle & Splat friends,

What an amazing summer we have had lots of sunshine that seems to have passed so quickly! It's hard to believe the holidays are nearly over.

We had a fabulous couple of days at Kingsgate Shopping Centre where we met lots of children and were also joined by the police one day who made a couple of unicorns! We always do it's craft for all ages!!

Doodle & Splat is 10 years old!!!

We are both in shock that is 10 years since we started Doodle & Splat - where has time gone! We set the business up after taking redundancy from our previous jobs and both wanted to share our passion for arts & crafts and how it can help children grow and develop in confidence.

To celebrate we have lots of giveaways and special crafts lined up, watch our website/facebook page for details!

Messy Play Events 6mths-5yrs

We love our Messy play sessions, especially watching the wee ones explore all the different areas. It's such an important part of their development, allowing them to use their senses to explore, discover and use their imagination as they try out the 14 different areas we have set up. Tickets for our Messy Play events are now on our website and available to purchase.
